

In a home fire,
can your family
safely escape in
just 2 minutes?

Home fires claim seven lives every day, but together we can help change that.

The American Red Cross is offering **free** home fire safety information and smoke alarm installations in your community!

To register for an appointment, see link and phone number at the bottom of this flyer. We will contact you when we have a team ready to install in your area. Our install teams have been vaccinated and will follow COVID-19 guidelines.

Join our national movement and pledge to keep your family safe against home fires.
